

HIGH FIVE CLUB

changing lives, £5 at a time

Pre-School Education - Uganda

We are thrilled this month to be together providing a further hand up to the **ABATO Children's Trust in Uganda**. You will remember that in December last year we provided this inspiring community-based organization with the funds to construct a simple wood and iron sheets structure to accommodate two new classes, providing an early childhood education to 100 more pre-school children in Uganda, along with a small school library.

Further High Five Club Support:

In January, the High Five Club further provided the funds for local carpenters to construct 30 desk/bench structures so that the 100 children taught in the new classrooms had proper seating, at a cost of just £480 (£4.80 per child) – from our monthly membership fees and the support of our long-term 'Educational Projects' supporter Roffey Homes.
